Uppada, E.G. Dist.	350.440	150.00	200.440	180.396	20.044
	1015.219	**450.00**	**565.219**	**508.697**	**56.522**

3. In the letter 9th read above, the Project Management Consultant (PMC) i.e., AP Urban Infrastructure and Assist Management Ltd., has submitted revised estimate for three fishing harbours with the current SoR rates and accordingly the MD, APMIDCL requested the Government to issue administrative sanction for the following amounts in his letter 10th read above.

(Rs. in Crs)

Fishing Harbour Name	Total revised Project cost	FIDF Loan	Balance project cost	Balance project cost	
				NIDA (90%)	GoAP (10%)
(1)	(2)	(3)	(4)	(5)	(6)
Nizampatnam	451.00	150.00	301.00	270.90	30.10
Machilipatnam,	348.00	150.00	198.00	178.20	19.80
Uppada, East Godavari	422.00	150.00	272.00	244.80	27.20
	1221.00	**450.00**	**771.00**	**693.90**	**77.10**

4. In the letter 6th read above, the Commissioner of Fisheries have addressed the Government and requested allocation of BE for Rs 142.66 Crs for construction of fishing harbours and fish landing centres during this financial year.

5. The Chief Executive, NFDB in his letter 7th read above, while communicating the FIDF minutes of the Video Conference held on 13-08-2020 in regard to the status of 4 sanctioned fishing harbours under FIDF (Nizampatnam, Machillipatnam, Vodarevu and Uppada) projects for which in-principle approval was accorded by CAMC on 12-07-2019 stated that the Joint Secretary (inland Fy) has pointed out that the sanction accorded by CAMC on 12-07-2029 and now it is not possible to consider revised sanction using 2018-19 SoR by the Government of India. It was also clarified that revised sanction is not required since any way there is cap/upper ceiling on the amount of loan under sanction and interest subvention would be considered only for that much loan amount. Thus, CGM, NABARD and Director, Central Institute of Coastal Engineering for Fisheries (CICEF) have suggested that,

if there are no changes in design, a letter to the effect is to be sent to the NABARD indicating that no change in design but only the cost escalation would be there due to adoption of present SoR, and go forward with getting of loan and other procedures thereof and the differential cost would be met by NIDA and Govt. of Andhra Pradesh.

6. In the reference 11th read above, the Managing Director, APMIDCL has requested that the Project Management Consultant has suggested calling for single tender combining all the four (4) works including the work at Juvvaladinne for which the Government already accorded the Administrative sanction in the G.O. 3rd read above. He has therefore requested to issue necessary orders on the following:

(1) Administrative sanction for taking up the above three fishing harbours with a total estimated cost of Rs.1221.00 crores out of which FIDF loan is Rs.450.00 crores; and 90%NIDA loan of Rs.693.90 crores in the balance cost of Rs.771.00 crores and out of the 10% state share i.e., Rs.77.10 crores, accord sanction an amount of Rs.6.00 crores to incur expenditure in this year for the 3 fishing harbours (Rs.2.00 crores each); and

(2) Permission to call for single tender combining all the four fishing harbours in a single package.

7. Government after careful examination of the matter, hereby accord administrative sanction of Rs.6.00 crores in this year out of 10% of state share of Rs.77.1 crores for taking up the three Fishing Harbours (i) Nizampatnam Phase II, Guntur dist. (ii) Machilipatnam Phase II, Krishna Dist. (iii) Uppada, East Godavari district and the Managing Director, APMIDCL to call for single tender combining all the four fishing harbours i.e., including Juvvaladinne Fishing Harbour in a single package.

8. The Managing Director, APMIDCL, Vijayawada shall take further action in the matter.
